Subject: Revision to Friends of Fiscalini Ranch Minor Use Permit (DRC2015-00016) Project Description

Dear Mr. Singewald,

I am enclosing a revised copy of our Minor Use Permit (DRC2015-00016) Project Description. The revisions were prompted by comments received from the North Coast Advisory Land Use Subcommittee; discussion of permitting requirements for the gully repair with U.S. Army Corps of Engineers, Los Angeles District; comments received from Rincon Environmental Consultants; and the necessity to move forward on hazardous tree removal via an Emergency Permit prior to processing of this application.

Please let me know if you have any questions or require additional information.

Sincerely,

Holly Sletteland
Project Manager
Friends of Fiscalini Ranch Preserve
